Exciting News – New Bulli Public School Canteen Hub

Dear Parents/ Caregivers,

1 June 2021

It is exciting to announce that Bulli Public School will have a new canteen hub one day a week, starting at the end of this term. With the increase in numbers to the school and the difficulties with running a canteen onsite, Bulli Public School has partnered with **Fresh Start Canteens** to provide the school community with a canteen hub.

Fresh Start Canteens run a number of local school canteens in the area and across NSW and will be using the established onsite canteen at St Michael's School in Thirroul to prepare our lunches.

What this means for the school is students will now be able to purchase fresh and healthy lunch options from a canteen hub offsite. The canteen will run on THURSDAYS each week starting Week 9, Term 2 (17 June) and parents will be able to place orders ONLINE through the **Flexischools App**. These orders will then be processed and made off site at St Michael's canteen Thirroul and delivered to the school hot/cold ready for lunchtime.

The canteen hub will be available for lunch orders only and parents will need to have orders in online by 9am Thursdays. The hub will be using online ordering only and parents can do this by downloading the **Flexischools** App on your phone through the App Store or Google Play.

Detailed instructions on how to download and set up your Flexischools account can be found at <https://www.flexischools.com.au/> .

We will need the support of the school community in order for our new canteen hub to be a success and hopefully with this support we can increase canteen days in the future.

Further information about Fresh Start Canteens and the canteen hub menu are attached.

Thank you.

FREQUENTLY ASKED QUESTIONS:

Many school canteens are struggling to remain open and are cutting back from fulltime to three, two or one day a week in order to at least break even on costs.

What's changed?

- The canteen will open on Thursdays. The days may increase if the canteen is well supported.
- The canteen will be operated via a hub from St Michael's Thirroul. The lunches will be prepared at the canteen within Thirroul and delivered to Bulli in a hot/cool box in time for lunch.
- Flexischools is the online canteen provider.
- All orders will need to be placed online through **Flexi schools**.
- Parents will NOT be able to send in lunch orders or cash to the school as there will not be a Fresh Starts on site.
- The canteen will not be open at breakfast time or for afternoon tea.
- **Orders need to be placed by 9am Thursday.**
- Late orders cannot be accepted.
- You can order in advance – this can be done by selecting the appropriate date when placing an order.

What do I need to do?

FlexiSchools:

1. All parents will need to register with flexi schools and add credit to their account to place orders. You can do this by downloading the Flexi schools App.
2. Please contact Flexi schools if you have any issues registering or need information about the platform.

The email address to contact them is help@flexischools.com.au

We look forward to your support.
